do that. That's why I only addressed the concerns that I think we could accomplish. And we've been working ever since the first day that the census numbers came out to try and accomplish that goal. And we sent a proposal...two or three different proposals to the Redistricting Committee, and couldn't accomplish that goal. So I would love to see that happen, but I don't know if that's a reality or not.

SENATOR CHAMBERS: Thank you, Senator Erdman. You are teachable. You catch on very quickly. You're diplomatic. I think I can work with you. That's all, Mr. President. Thank you.

SPEAKER KRISTENSEN: Senator Jones.

SENATOR JONES: Mr. President, members of the body, we've finally come to a conclusion here. It really didn't change my district any, but I'm going to be supportive of this, because it satisfies a lot of the people out west, with Banner County and Perkins County both. So I'm going to be supportive of this, even though it didn't change mine much. Thank you.

SPEAKER KRISTENSEN: Senator Erdman, you're recognized to close. He waives that opportunity. The question is the adoption of the Erdman amendment. All those in favor vote aye; all those opposed vote nay. Record.

CLERK: 38 ayes, 0 nays, Mr. President, on the adoption of Senator Erdman's Select File amendment.

SPEAKER KRISTENSEN: The amendment is adopted. Senator Erdman, you're recognized for a motion to readvance.

SENATOR ERDMAN: Thank you, Mr. Speaker. I move we readvance LB 852.

SPEAKER KRISTENSEN: You've heard the motion. The question before the body is the readvancement of the bill. All in favor say aye. Those opposed say nay. It is advanced. We next move to Select File. LB 657. Mr. Clerk.
